

Membership Interest Indicator

2016-17 Rotary International Theme

As a member of Club 14, your involvement in committees is CRITICAL. Your committee membership will:

- Make an impact on your community and world
- Expand your business network and friendships
- Enrich your Rotary experience
- Allow your large club to work efficiently and be fun.

We encourage EVERY ROTARIAN to sign up for 2-3 committees. Sign up for a new committee or stick with one you love. With 35 committees to choose from, there is something for everyone. Thank you for your time and commitment to our club. More information about each committee can be found in the directory.
